Introduction to Java as a Second Language

The Java Language

Writing Java Application Code

Jun 17, 2024

ADITYA KUMAR

has successfully completed the online, non-credit Specialization

Java as a Second Language

In this Specialization, learners installed and configured their local Java environment including necessary tools and the Eclipse Integrated Development Environment (IDE). The specialization focused on Java features and functions and included many hands-on exercises to practice new skills and build fully functional Java web and mobile applications.
